LETTER TO THE SHAREHOLDERS

Dear Shareholder,

It gives me immense pleasure to introduce NRB Industrial Bearings' 5th Annual Report.

India clocked in 7.6% growth during the 2015-16 and continued to be the 'star performer', outpacing China as the world's fastest growing major economy. The global economy, however, continued to be volatile during this period with three of the BRICS economies; China, Brazil and Russia facing a slowdown. The US Federal Reserve increased interest rates owing to growth in employment for forty one straight weeks (and therefore a drop in unemployment claims) and low inflation. This depreciated the rupee and even though this made India more competitive in exports; India could not take advantage owing to the weak global economic scenario. In a more local context, the government's "Make-In-India" initiative is starting to show results with many investments being made and in the pipeline.

During the course of the year, NRB Industrial Bearings continued to focus towards building a stronger organization. This ranges from a series of initiatives like hiring highly qualified personnel and expanding its dealer network to introducing new products and working towards lean manufacturing which are further highlighted in this report. These activities will help us achieve our goals and take on the opportunities that lie ahead in both; Indian and global markets. In addition to our own product range, we have also continued to strengthen our alliances with our European partners, leading us to have to a wider gamut of products for the Indian manufacturing sector. This will give us a sustained competitive advantage over Indian bearing manufacturers.

Looking ahead, we appear to have a promising year in the next fiscal. With new developments, we hope to penetrate new segments, using "Make-In-India" to our advantage. While the bearing industry is poised to get further competitive, I am confident that NRB Industrial Bearings will emerge as a promising player in this market.

We thank you for your support and look forward to the same in 2016-17.

Best Regards,

Sd/-

Devesh Singh Sahney
Managing Director

ANNEXURE 'IV'

VIGIL MECHANISM /WHISTLE BLOWER POLICY

1. Preface

The Company believes in the conduct of the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behaviour. Any actual or potential violation of the Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. The role of the employees in pointing out such violations of the Code cannot be undermined. There is a provision under the Code requiring employees to report violations, which states:

Section 177 (9) of the Companies Act, 2013 mandates the following classes of companies to constitute a vigil mechanism –

- a) Every listed company; and
- b) Every other company which accepts deposits from the public;
- c) Every company which has borrowed money from banks and public financial institutions in excess of Rs. 50 crore.

Further, Regulation 18 of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 between listed companies and the Stock Exchanges has been recently amended which, inter alia, provides for a mandatory requirement for all listed companies to establish a mechanism called the 'Whistleblower Policy' for directors and employees to report concerns of unethical behaviour, actual or suspected, fraud or violation of the Company's code of conduct.

Accordingly, this Whistleblower Policy ("the Policy") has been formulated with a view to provide a mechanism for directors and employees of the Company to approach the Chairman of the Audit Committee of the Company.

2. Definitions

The definitions of some of the key terms used in this Policy are given below.

- a. **"Audit Committee"** means the Audit Committee constituted by the Board of Directors of the Company in accordance with Section 177 of the Companies Act, 2013 and read with Regulation 18 of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015.
- b. **"Employee"** means every employee of the Company, including the directors in the employment of the Company.

- c. **"Investigators"** mean those persons authorised, appointed, consulted or approached by the Chairman of the Audit Committee and includes the auditors of the Company and the police.
- d. **"Disclosure"** means any communication made in good faith that discloses or demonstrates information that may evidence unethical or improper activity.
- e. **"Subject"** means a person against or in relation to whom a Protected Disclosure has been made or evidence gathered during the course of an investigation.
- f. **"Whistleblower"** means an Employee making any Disclosure under this Policy.

3. Scope

- a. The Whistleblower's role is that of a reporting party with reliable information. They are not required or expected to act as investigators or finders of facts, nor would they determine the appropriate corrective or remedial action that may be warranted in a given case.
- b. Whistleblowers should not act on their own in conducting any investigative activities, nor do they have a right to participate in any investigative activities other than as requested by the Chairman of the Audit Committee or the Investigators.
- c. Disclosure will be appropriately dealt with by the Chairman of the Audit Committee, as the case may be.

4. Eligibility

All Employees of the Company are eligible to make Disclosures under the Policy in relation to matters concerning the Company.

5. Disqualifications

- a. While it will be ensured that genuine Whistleblowers are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection will warrant disciplinary action.
- b. Protection under this Policy would not mean protection from disciplinary action arising out of false or bogus allegations made by a Whistleblower knowing it to be false or bogus or with a mala fide intention.

- c. Whistleblowers, who make three or more Disclosures, which have been subsequently found to be mala fide, frivolous, baseless, malicious, or reported otherwise than in good faith, will be disqualified from reporting further Disclosures under this Policy. In respect of such Whistleblowers, the Company/Audit Committee would reserve its right to take/recommend appropriate disciplinary action.

6. Procedure

- a. All Disclosures concerning financial/accounting matters should be addressed to the Chairman of the Audit Committee of the Company for investigation.

The Chairman of the Audit Committee of the Company is Mr. Manish Chokshi.

- b. If a disclosure is received by any executive of the Company other than Chairman of Audit Committee, the same should be forwarded to the Chairman of the Audit Committee for further appropriate action. Appropriate care must be taken to keep the identity of the Whistleblower confidential.
- c. Disclosures should preferably be reported in writing so as to ensure a clear understanding of the issues raised and should either be typed or written in a legible handwriting in English, Hindi or Marathi.
- d. The Disclosure should be forwarded by the Chairman of the Audit Committee to the Investigators for investigation.
- e. Disclosures should be factual and not speculative or in the nature of a conclusion, and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern and the urgency of a preliminary investigative procedure.
- f. The Whistleblower must disclose his/her identity in the covering letter forwarding such Protected Disclosure. Anonymous disclosures will not be entertained as it would not be possible to interview the Whistleblowers.

7. Investigation

- a. All Disclosures reported under this Policy will be thoroughly investigated by the Chairman of the Audit Committee of the Company who will investigate / oversee the investigations under the authorization of the Audit Committee. If any member of the Audit Committee has a conflict of interest in any given case, then he/she should excuse itself and the other members of the Audit Committee should deal with the matter on hand.

- b. The Chairman of the Audit Committee may at its discretion, consider involving any Investigators for the purpose of investigation.

- c. The decision to conduct an investigation taken by the Chairman of the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may not support the conclusion of the Whistleblower that an improper or unethical act was committed.

- d. The identity of a Subject will be kept confidential to the extent possible given the legitimate needs of law and the investigation.

- e. Subjects will normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.

- f. Subjects shall have a duty to co-operate with the Chairman of the Audit Committee or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.

- g. Subjects have a right to consult with a person or persons of their choice, other than the Investigators and/or members of the Audit Committee and/or the Whistleblower. Subjects shall be free at any time to engage counsel at their own cost to represent them in the investigation proceedings.

- h. Subjects have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed or tampered with, and witnesses shall not be influenced, coached, threatened or intimidated by the Subjects.

- i. Unless there are compelling reasons not to do so, Subjects will be given the opportunity to respond to material findings contained in an investigation report. No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.

- j. Subjects have a right to be informed of the outcome of the investigation. If allegations are not sustained, the Subject should be consulted as to whether public disclosure of the investigation results would be in the best interest of the Subject and the Company.

- k. The investigation shall be completed normally within 45 days of the receipt of the Disclosure.

8. Protection

- a. No unfair treatment will be meted out to a Whistleblower by virtue of his/her having reported any Disclosure under this Policy. The Company, as a policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistleblowers. Complete protection will, therefore, be given to Whistleblowers against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion, or the like including any direct or indirect use of authority to obstruct the Whistleblower's right to continue to perform his/her duties/functions including making further Protected Disclosure. The Company will take steps to minimize difficulties, which the Whistleblower may experience as a result of making the Protected Disclosure. Thus, if the Whistleblower is required to give evidence in criminal or disciplinary proceedings, the Company will arrange for the Whistleblower to receive advice about the procedure, etc.
- b. A Whistleblower may report any violation of the above clause to the Chairman of the Audit Committee, who shall investigate into the same and recommend suitable action to the management.
- c. The identity of the Whistleblower shall be kept confidential to the extent possible and permitted under law. Whistleblowers are cautioned that their identity may become known for reasons outside the control of the Chairman of the Audit Committee (e.g. during investigations carried out by Investigators).
- d. Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistleblower.

9. Investigators

- a. Investigators are required to conduct a process towards fact-finding and analysis. Investigators shall derive their authority and access rights from the Audit Committee when acting within the course and scope of their investigation.
- b. Technical and other resources may be drawn upon as necessary to augment the investigation. All Investigators shall be independent and unbiased both in fact and as perceived. Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior, and observance of legal and professional standards.

- c. Investigations will be launched only after a preliminary review which establishes that:

- i. the alleged act constitutes an improper or unethical activity or conduct, and
- ii. either the allegation is supported by information specific enough to be investigated, or matters that do not meet this standard may be worthy of management review, but investigation itself should not be undertaken as an investigation of an improper or unethical activity.

10. Decision

If an investigation leads the Chairman of the Audit Committee to conclude that an improper or unethical act has been committed, it shall recommend to the management of the Company to take such disciplinary or corrective action as the it deems fit. It is clarified that any disciplinary or corrective action initiated against the Subject as a result of the findings of an investigation pursuant to this Policy shall adhere to the applicable personnel or staff conduct and disciplinary procedures.

11. Reporting

The Chairman of Audit Committee should give a report on the Disclosures received/referred together with the results of investigations, if any, to the Board of Directors.

12. Retention of documents

All Disclosures in writing or documented along with the results of investigation relating thereto shall be retained by the Company for a minimum period of seven years.

13. Amendment

The Company reserves its right to amend or modify this Policy in whole or in part, at any time without assigning any reason whatsoever. However, no such amendment or modification will be binding on the Employees and directors unless the same is notified to the Employees and directors in writing.

Management's Discussion and Analysis Report

I. Outlook / Business Overview

Indian Bearings Market Overview:

During 2010-2015, the Global bearing industry grew steadily, wherein the output was expected to be 100.5 billion which sets with a year-on-year growth of 10.9% in 2016, and may exceed 150 billion sets in 2020. The Chinese bearing market, which remains the largest of the emerging markets, is very fragmented, with the main international bearing companies accounting for about one third of the market, while the other two thirds of the market consists of a host of local manufacturers. The Indian bearing market accounts for less than 5% of the world bearing market.

The revenue projections for the bearings market in India anticipates that the market is estimated to grow at a Compound Annual Growth rate (CAGR) of 19.8% over FY'2015-FY'2019 owing to the stable economic growth in the forthcoming years and the support from government.

The '**Make in India**' initiative launched by the newly formed government is expected to be the catalyst for inclining manufacturing activities in the country which will increase the bearings consumption in the forthcoming years. Many policy measures taken by the government for creating enabling environment for industrial growth have started showing its impact on increased FDI inflows, better performance of infrastructure sector. The landmark initiatives like Make in India, Ease of Doing Business, Start up India, Digital India, and Smart Cities, etc. will provide further Impetus to industries and the industrial sector is expected to be the key driver of economic growth in the country.

The Indian bearings industry is majorly comprises of organized & unorganized sector. The unorganized sector includes small, local bearings manufacturers that primarily cater to the aftermarket or replacement segment of the industry. However imported bearings forms significant part of total consumption.

The demand for bearings is largely dynamic because the industry is closely linked to global GDP trends owing to its extensive applications in production and engineering industries across the world. The bearings industry in India has been heavily dependent upon imports as the major players are global entities which import majority of products from their global manufacturing units located abroad. India is largely regarded amongst the fastest growing market for bearings in the world which has ultimately led to a number of multinational companies emerge the Indian markets such as SKF, FAG bearings and Timken.

The growth of the bearing industry is directly correlated with the automotive and industrial sectors. The fluctuations

arisen was on account of continued pressure of inflation, fiscal imbalances and high interest rates.

The Indian economy is continuing to consolidate the gains achieved in restoring macroeconomic stability.

Your Company now has a pool of internal coaches, trainers and facilitators, and employees across functions dip into this resource for their development.

V. Opportunities and Threats

The Indian bearing industry manufactures large varieties of bearings. Considering this figure, the industry has a lot of scope for growth and development. The current Indian bearing industry is worth Rs. 9,500 crores. In this, automotive segment accounts for 45% of the revenues, which amounts to Rs. 4,275 crores and the remaining 55% is influenced by other industries through imports. At present, the Indian industry manufactures small and medium bearings mainly in five categories: ball bearings, cylindrical roller bearings, taper roller bearings, spherical roller bearings and needle roller bearings. The bearings are manufactured taking into consideration on the designs and specifications needed by various industries wherein our company stands high potential in order to target market capitalization at decent level.

Currently Companies are facing a threat from the spurious parts manufacturers who manufacture duplicate parts and sell them in the names of both domestic and foreign companies. This is the biggest threat to the Indian manufacturers as this dissolves their share in the aftermarket and affects the growth of the company.

VI. Segment wise Performance

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF NRB INDUSTRIAL BEARINGS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **NRB INDUSTRIAL BEARINGS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the

financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2016, and its loss and its cash flows for the year ended on that date.

Emphasis of Matters

We draw attention to Note 41 to the Financial Statements. As stated in the Note, the remuneration paid to the Managing Director of Rs. 34.81 lacs for the period from 01 October, 2012 to 31 March, 2014 is subject to the approval of the Central Government.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those

books.

- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards prescribed under section 133 of the Act, as applicable.
- e) On the basis of the written representations received from the directors as on 31 March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses modified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014,

in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date to the members of NRB Industrial Bearings limited on the financial statements for the year ended 31 March, 2016)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of NRB Industrial Bearings Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation

and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified opinion

According to the information and explanations given to us and based on our audit, the following material weakness has been identified in the Company's internal financial controls over financial reporting as at March 31, 2016:

The Company does not have adequate internal control system for recording in ERP System of stagewise movement of quantities for shop floor work in progress resulting in incorrect book quantities of shop floor work in progress at any point of time and consequently material differences between the book and physical stock of shop floor work in progress. This could potentially result in material misstatements in the Company's Inventory.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, to the best of our information and according to the explanations given to us, except for the effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended March 31, 2016, and the material weakness does not affect our opinion on the said financial statements of the Company.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of NRB Industrial Bearings limited on the financial statements for the year ended 31 March, 2016)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a program of verification of fixed assets to cover all the items once over a period of three years, which, in our opinion, is reasonable having regards to the size of the Company and the nature of its assets. In accordance with the programme all items of fixed assets were physically verified during the previous period.
- (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered title deed provided to us, we report that the title deed of the flat is held in the name of the company as at the balance sheet date.
- In respect of immovable property of land taken on lease and building constructed thereon, disclosed as fixed assets in the financial statements, the lease agreement has been pledged as security for loans, based on the confirmation directly received by us from Lenders, the lease agreement is in the name of the Company where the company is lessee in the agreement.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals. Material discrepancies noticed on physical verification during the year have been properly dealt with in the books of account.
- (iii) The Company has not granted any loans, secured or unsecured, to companies or other parties covered in the register maintained under section 189 of the Companies Act, 2013.

- (iv) In our opinion and according to the information and explanation given to us, the Company has not granted any loans or provided guarantees. In respect of investments made, the Company has complied with the provisions of section 186 of the Companies Act, 2013.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
- (a) The dues of tax deducted at source and Service tax have not been regularly deposited during the year with the appropriate authorities, the delay in deposit have been serious. The Company has generally been regular in depositing other undisputed statutory dues, including Provident Fund, Excise Duty, Sales Tax, Value Added Tax, cess and other material statutory dues applicable to it to the appropriate authorities.
- (b) Except for tax deducted at source, there were no undisputed amounts payable in respect of Provident Fund, Sales Tax, Service tax, Excise Duty, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2016 for a period of more than six months from the date they became payable:

NOTES FORMING PART OF THE FINANCIAL STATEMENTS**NOTE****1. Corporate Information:**

NRB Industrial Bearings Limited ('the Company') was incorporated on 24th day of February, 2011 as a Private Limited Company under the provisions of the Companies Act, 1956 (the Act). On the acquisition of equity shares of the Company on 4th November, 2011 by NRB Bearings Limited, a Public Limited Company, the Company in terms of Section 3 (1) (iv) (c) of the Act became a Public Limited Company and the name of the Company was changed from "NRB Industrial Bearings Private Limited" to "NRB Industrial Bearings Limited"

The Company is engaged in the business of manufacturing and selling of all types of industrial bearings.

The Scheme of Arrangement (the Scheme) for the transfer of Industrial Bearings Undertaking of NRB Bearings Limited (NRB) to the Company under section 391 to 394 read with section 100 to 103 of the Companies Act, 1956 was sanctioned by the Hon'ble High Court of Judicature, Bombay on 24th August 2012. The Scheme, which has become operative from 25th September, 2012 upon filing of the certified copies of the Orders of the Hon'ble High Court with the Registrar of Companies became effective from 1st October, 2012 (the Appointed Date).

Pursuant to the Scheme, with effect from the Appointed date the Industrial Bearings Undertaking of NRB is transferred and vested in the Company as a going concern, with all its assets, liabilities, properties, rights, benefits and interest therein subject to existing charges thereon.

In terms of the Scheme, in consideration of the transfer and vesting of the Industrial Bearings Undertaking of NRB, in respect of every 4 equity shares of Rs. 2 each, held by the shareholders of NRB, 1 equity share of Rs. 2 each fully paid up aggregating 24,230,650 equity shares have been issued and allotted on 31st October, 2012, to the shareholders of NRB whose names appeared in the Register of Members, as on 25th October, 2012, being the record date.

All the staff, workmen and employees of Industrial Bearings Undertaking of NRB in service as on 1st October, 2012 have become staff, workmen and employees of the Company without any break in their service.

In terms of the Scheme, the Company recorded all the assets and liabilities pertaining to the Industrial Bearings Undertaking, at the respective book values appearing in the books of NRB as on the Appointed Date. The Company credited to its share capital account, the aggregate face value of the equity shares issued by it pursuant to the Scheme. The difference of Rs. 5,700.16 lacs between excess of net assets and the amount credited as share capital after adjusting the cancellation of existing share capital of the Company held by NRB has been credited to Capital Reserve. The equity shares allotted have been listed on the Bombay Stock Exchange and the National Stock Exchange on 9th April, 2013.

2. Significant accounting policies:**i. Basis of accounting**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the 2013 Act. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

ii. Use of estimates

The preparation of the financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are known/materialized.

iii. Fixed assets and depreciation/amortisation

- (a) All fixed assets are stated at cost of acquisition, including any attributable cost for bringing the asset to its working condition for its intended use less accumulated depreciation.
- (b) Depreciation/amortization
 - i. Tangible Assets
 - a. Leasehold land is amortised over the remaining period of the lease.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

- b. Depreciation on other tangible fixed assets has been provided on the straight-line method as per the useful life stated below which has been determined based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset etc.:

Category	Useful life in years
Building	
a) Factory Building	29
b) Office Building	58
Plant & Machinery	26
Furniture & Fixture	15
Office Equipments	5
Electrical Installation	26
Vehicle	10
Computer	6

ii. Intangible Assets

Computer Software is amortised on straight line method over the estimated useful life of 6 years. The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

(c) Also see Note 2(xi) below.

iv. Impairment

The carrying values of assets at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

v. Foreign currency transactions

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the

transaction. Foreign currency monetary items (other than derivative contracts) of the Company, outstanding at the balance sheet date are restated at the period-end rates. Exchange differences arising on settlement / restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

vi. Investments

Long-term investments are stated at cost less provision for diminution, other than temporary, in the value of investments, if any. Current investments are stated at lower of cost and fair value.

vii. Inventories

Inventories are valued at the lower of cost (weighted average method) and net realisable value. Costs of conversion and other costs are determined on the basis of standard cost method adjusted for variances between standard costs and actual costs.

viii. Sale of products

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales exclude sales tax and value added tax.

ix. Other Income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

x. Employee benefits

(a) Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the period in which the related service is rendered.

(b) Long term benefits:

(i) Defined Contribution Plans :

1. Provident and Family Pension Fund

The eligible employees of the company are entitled to receive post employment benefits in respect of provident and family pension fund, in which both employees and the company make monthly contributions at a specified percentage of the employees' eligible salary (currently 12%

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

of employees' eligible salary). The contributions are made to the Regional Provident Fund Commissioner. Provident Fund and Family Pension Fund are classified as Defined Contribution Plans as the company has no further obligations beyond making the contribution.

2. Superannuation

The eligible employees of the company are entitled to receive post employment benefits in respect of superannuation scheme, in which the company makes quarterly contributions at 15% of employees' eligible salary. Superannuation scheme is classified as Defined Contribution Plan as the Company has no further obligations beyond making the contribution.

The Company's contributions to Defined Contribution Plans are charged to the statement of profit and loss as incurred.

(ii) Defined Benefit Plan / Other Employee Benefit :**1. Gratuity**

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service.

Vesting occurs upon completion of five years of service. The Trust established for the purpose has arrangement with insurance company (currently HDFC Standard Life Insurance Company Limited) for future payments of gratuities on behalf of the Trust. The Company accounts for gratuity benefits based on an independent actuarial valuation as at the period end. Actuarial gains and losses are recognized in the statement of profit and loss.

2. Compensated absences

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The liability is provided based on the number of days of unutilised leave at each balance sheet date on the basis of an independent actuarial valuation as at year end. Actuarial gains and losses are recognized in the statement of profit and loss.

xi. Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets.

xii. Operating Lease

Lease, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased asset during the lease term, is classified as operating lease. Operating lease payments and receipts are recognised as an expense and income respectively in the Statement of Profit and Loss on a straight-line basis over the lease term.

xiii. Taxation

Taxation expenses comprise current tax and deferred tax.

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation, carry forward of losses and items relating to capital losses are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

xiv. Provisions and Contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements

xv. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

xvi. Derivative Contracts

The Company enters into derivative contracts in the nature of foreign currency swaps, currency options, forward contracts with an intention to hedge its existing assets and liabilities and firm commitments. Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts if such contracts relate to monetary items as at the balance sheet date. All other derivative contracts are marked-to-market and losses are recognised in the Statement of Profit and Loss. Gains arising on the same are not recognised on grounds of prudence.

xvii. Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

xviii. Current / Non-Current Assets and Liabilities:

Assets are classified as current when it satisfies any of the following criteria:

- a) it is held primarily for the purpose of being traded;
- b) it is expected to be realised within twelve months after the reporting date; or
- c) it is Cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

All other assets are classified as non-current.

Liabilities are classified as current when it satisfies any of the following criteria:

- a) it is held primarily for the purpose of being traded;
- b) it is due to be settled within twelve months after the reporting date; or
- c) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other liabilities are classified as non-current.
